### Post Materials on the CPM Website and Re-Print in CPM Publications

I agree to have my material posted on the CPM website and/or Re-Printed in other CPM Publications.

CPM will place your material on the CPM website ([www.pmi-cpm.org](http://www.pmi-cpm.org)), and may be Re-Printed in other CPM Publications.

### DVD and Web Cast Recording Request (For those participating in CPM conferences)

I hereby consent to the recording and to the use of my materials that I will submit in digital format to CPM. I understand that this release form applies only to materials delivered at this conference and that this release in no way prohibits me from using my own material in any manner I so desire.

As a part of the educational resources provided by CPM, the conference may be recorded so that CPM can produce a web cast and DVD of each of the conference sessions. The DVD and web cast will be available for purchase to assist CPM in our fundraising efforts.

### Media Related to Conference and Third-Party Post-Conference Publications Request (For those participating in CPM conferences)

I agree to have my presence mentioned in third-party post-conference publications.

CPM is frequently asked by third-party publication to write articles to follow-up on conference proceedings. The articles will appear in national and international publications. We request your permission to reference your presentation in post-conference publications, giving full attribute to your accomplishments and participation in the event.
