S. Bradford Antle President & Chief Executive Officer

Brad Antle has more than two decades of experience as a leader in developing and delivering information technology solutions. As President and Chief Executive Officer (CEO) of *SI International*, he oversees all of the Company's business units, including marketing and sales, finance and revenue management, client relations, operations, and acquisitions. Mr. Antle was appointed CEO on September 24, 2005, while retaining his responsibilities as President. Since joining the Company in June 1999, he has held increasingly senior-level executive positions, including Chief Operating Officer and Executive Vice President. Prior to joining *SI International*, Mr. Antle was named the first Director of Washington Technical Operations for Lockheed Martin in 1996. Mr. Antle began his corporate career at General Electric in 1985. Before joining General Electric, Mr. Antle served in the US Navy for eight years as a Surface Warfare Officer and was Deputy Department Head for Systems Engineering at one of the Navy's software development facilities for tactical embedded systems. Mr. Antle earned a Master in Engineering degree from Penn State University, a Master in Business Administration degree from the National University in San Diego, CA, and a Bachelor of Science degree in Business Administration from the University of Maryland.
