TOOLS TRACK - CALL FOR PARTICIPATION

Join us and share your EVM solutions provided by your tool and its implementation by your clients at:

EVM World 2008 24h Annual International Conference

May 14-16, 2008
Hilton Clearwater Beach Resort
Clearwater Beach, Florida

This is your opportunity to reach a selective and interested audience in EVM and the tools available to provide solutions.

You will provide with:

- Announcement of your presentation during each general session in the day of your presentation.
- The ability to include marketing information as extra material in your PowerPoint presentation.
- The ability to present marketing information during your presentation. This is reserved only to the presentations in the Tools Track.
- Premier placing of the exhibition rooms for the Tools Track in the conference.
- The ability to place display your own material outside your presentation room ten minutes before your presentation and until the end of your presentation to let conference attendees know about your presentation.

Speaker Requirements

All materials must be in the format as described in the Speakers Requirements

Available at http://www.pmi-cpm.org/pages/events/EVM08/keynote_speakers.html

A sponsorship fee of \$500 will be applied for the presentation slot. The speaker will be extended the reduced price of \$400 if they wish to participate in the conference beyond the presentation.
